

## ANTE ROOM ECHOES.

## Installation of Officers in the I. O. O. F. Subordinate Lodges.

Excursions and Picnics of the I. O. O. F. and K. of P. Are Near at Hand—Doings Among Other Orders.

Notwithstanding the warm weather and the attractions of outdoor amusements of various kinds the work of the secret orders has been very satisfactory this week. The greater part of the lodges held their usual meetings and very fair attendances were recorded and a good deal of interest manifested.

## Masonic.

The Masons having suspended their regular meetings till September there was not much going on in this order.

Utah chapter had a special meeting on Wednesday evening for work at which two new members were admitted and routine business was transacted. This branch of the order will probably not meet again until September.

The Commandery held its stated convocation on Thursday evening but nothing but routine business was transacted. Lynd's Chapter Order of the Eastern Star had a pleasant meeting last evening at which three candidates were initiated. The work was done in good style and a profitable time passed.

## I. O. O. F.

The chief feature this week has been the installation of the officers to serve for the coming six months. Jordan lodge met on Monday evening and installed officers as follows: Noble grand, C. J. Higson; vice grand, Henry Myers; secretary, W. E. Jennings; treasurer, L. G. Neilson; trustee, John T. Buckle.

Routine work was done and a pleasant time passed. The officers of Utah lodge were also installed—George Verden into the noble grand's chair, Isaac Solomon, vice grand; W. J. Moore, secretary; I. Walters, treasurer; W. H. Buckner, trustee for the eighteen months' term.

Tuesday being a holiday, July 4, the encampment and the election did not meet. On Wednesday evening Ridgely and Enterprise lodges both met and held a joint installation of officers under the direction of the grand master and the other grand officers. The officers for Enterprise lodge are: Noble grand, G. H. Gillett; vice grand, Robert Carter; recording secretary, Wm. E. Elliott; permanent secretary, C. H. Wixson; treasurer, E. J. Walters; trustee, J. M. Bruneau.

Those of Ridgely lodge installed were: Noble grand, O. L. Eliason; vice grand, C. I. Douglas; secretary, John Farmer; treasurer, S. Ewing; trustee, James Kelly.

Fidelity and Salt Lake lodges had good meetings last evening. Grand master H. F. Evans, grand secretary J. J. Thomas and other grand officers were present and conducted the ceremonies of the installation of officers with much impressiveness. Those for Fidelity lodge were: Noble grand, L. P. Robinson; vice grand, Rev. L. F. Clay; secretary, E. E. Marshall; treasurer, Geo. A. Burgen; trustee, C. J. Campbell.

Salt Lake lodge: Noble grand, A. G. E. Whitman; vice grand, S. W. Darke; secretary, William McMillan; treasurer, J. J. Hunt; trustee, A. C. Ewing, for the eighteen months' term.

The new officers are all true and tried men and under their guidance the different lodges will without doubt continue their prosperity and usefulness.

The topic of greatest interest in the order is the excursion which will be given to Garfield beach on July 15. The general management of affairs on that day is in the hands of a committee consisting of three delegates from each of the subordinate lodges and the Rebekah lodges. The members of Canton Colfax compose the reception committee and they will appear in full uniform. The excursion will be one of the greatest events of the season.

Many novelties will be introduced for the amusement of the excursionists, contests of various kinds will take place and valuable prizes will be given. The general committee will meet at the I. O. O. F. hall tonight to perfect the arrangements.

The installation of officers in a number of the lodges in the jurisdiction but out of Salt Lake city will take place next week and will be attended by the grand officers.

Odd Fellows' day at the World's fair next September will be a notable event in the order and a large delegation from Salt Lake to attend. In all probability a special Odd Fellows' train will be run from this city and Ogden.

A very pleasing event of the week was the presentation by the directors of the I. O. O. F. Building association to Brother W. H. Roy of a very handsome I. O. O. F. standard. Mr. Roy has been treasurer of the association for a long period and on his retirement this mark of the appreciation of the faithfulness and ability with which he handled the funds was given him.

The Utah Odd Fellows for this month is out and is full of valuable information to all members of the order, also very full accounts of the lodge doings all over the jurisdiction. It is a credit to the publishers.

## Knights of Pythias.

The excursion to Saltair, on July 20 is the principal topic of conversation among the Pythians. Very complete arrangements are being made to make the excursion in every way a success and a pleasant social event. The committee on arrangements, consisting of Messrs. Ford, Lewis, Kishley, Covey and Baker, are at work and will announce the details as soon as fully agreed upon.

Caliente lodge met on Monday evening with a very fair attendance. There was no degree work, but several applications to join were received and will be acted on in due course.

Myrtle lodge's regular meeting night falling on July 4, the lodge met and adjourned without transacting any business.

Monitor lodge on Wednesday evening enjoyed a pleasant meeting and received the applications for membership of two gentlemen, which were referred to the proper committee.

Rocky Mountain lodge held its ordinary meeting on Thursday evening, but transacted only routine business. Several visiting brothers however were present and interesting talks were given. A social good time passed.

137 Temple, Pythian Sisters, met yesterday afternoon and received several new members into their ranks. The temple is very prosperous and is doing good work. The newly elected officers will continue to conduct the affairs of the temple with enthusiasm and will go on to fresh triumphs.

## A. O. U. W.

Temple lodge met on Monday evening last. This being the first day for the public installation of officers, but the ceremony was suspended and the installation ceremony proceeded with. The opening address was made by J. M. Bowman, after which the officers were duly installed by S. W. Darke, installing officer. After adjournment refreshments were served.

Salt Lake Valley lodge also had a public installation and house warming on Thursday evening, which was very largely attended and an exceptionally pleasant time was had. A full account of the proceedings was published in THE HERALD of July 7.

## Sons of St. George.

The Sons of St. George held their regular meeting at the Temple of Honor hall on Wednesday evening, July 5. The next meeting will be held July 19 on Wednesday evening at the same place.

The lodge now meets the first and third Wednesdays in each month until further notice. The newly installed worthy president, H. F. Clark, will occupy the chair during the ensuing term, so that all Sir Knights can depend upon having

the business part of the meetings conducted with promptness and despatch, thus giving the members an excellent opportunity to enjoy the remainder of the evening in "good and welfare," which relieves the routine of business as well as being a source of enjoyment to all those who participate in that part of the entertainment.

The outing proposed by the Ogden lodge has been abandoned, therefore the Trafalgar lodge will have to rely upon its own resources and make its own arrangements which can be done at the next meeting. The motion was passed at the last meeting making the initiation fee \$5 for all under fifty years of age who wished to join the Sir Knights, and become one with the Sons of St. George in bonds of fraternity, concord and love. The entrance fee from forty to fifty will be only one half that amount. It has been made so to enable all the friends who have been waiting for means to come forward and show their love for the old country by joining a lodge consisting of true born Britons. This resolution has been passed to meet the stringency of the times, and will be continued until the lodge deems it advisable to go back to the old rates.

All Sir Knights are requested to put their shoulder to the wheel and bring at least one more to help the progress and advancement of the lodge during the ensuing term.

After the usual routine of business was over on Wednesday evening, the lodge resorted to the most enjoyable part of the evening's entertainment, "Good and Welfare," with the following programme:

Pathetic reading, "Guilty or not Guilty," W. S. Wm. M. Brown. Song, "Britannia Rules the Waves," Thos. Darcy. John Clark. Irish anecdotes, showing the humor displayed by the natives of the old sod, W. Y. H. Silverthorn. Song, "True Born Irishman," Geo. Thos. Evans. Song, "Leaving Old Ireland," Thos. Darcy.

The worthy president made some excellent remarks in closing, advising the Sir Knights to make "Good and Welfare" a regular part of the programme at each meeting, and to try to make life happy for the short time we have to remain on this mundane sphere, believing in the poet Pope's poem:

"Man wants but little here below,  
Nor wants that little long."

## Star of Bethlehem.

Misphah lodge met on Monday evening, the chief business being the installation of the officers for the ensuing year. Those installed were W. C. Lady Emily Roberts, V. C. M. Bush; Scibe J. Ward; treasurer, G. A. Burgen; marshal, Lady S. J. Rushon; assistant marshal, J. Bush; chaplain, Lady Katie Gillespie; S. Lady A. E. Burgen; trustee for eighteen months, E. W. Loder; R. A. to W. C. J. E. Barker; L. A. to W. C. Lady Florence Gillespie; L. A. to W. C. Lady Ayerhart; L. A. to W. C. Lady Ward.

After the ceremonies a cold collation of ice cream, cake etc., was served and a very pleasant social time enjoyed.

This order is quite prosperous and growing rapidly in membership and usefulness.

## Red Men.

Washakie Tribe No. 1, I. O. R. M., re-kindled their regular council fire at their wigwam, on Market street, last night with good attendance. The principal business was the installation of elective chiefs for the ensuing term.

District Deputy Great Incomah Ben Johnson, of Stockton, came in to conduct the work. The officers installed for the term were: Dr. J. S. Sharp, sachem; John S. Higham, senior sagamore; John G. Benson, junior sagamore; P. Harkin, keeper of wampum; W. A. Duvall, chief of records. The trustees elected are: J. A. Ferbrache, S. G. Brinton and J. M. Barnes.

The picnic and excursion committee reported progress. The excursion to Castilla Springs on the 24th will be a success if hard work will make it so.

Cures Scrofula

Mrs. E. J. Rowell, Medford, Mass., says her mother has been cured of Scrofula by the use of four bottles of SSS. After having had a long and painful attack, and being reduced to a low condition of health, as it was thought she could not live.

INHERITED SCROFULA.

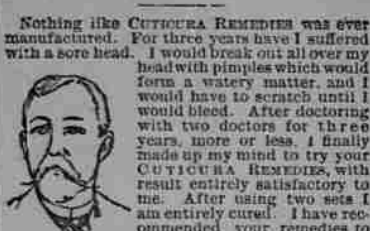

Cured my little boy of hereditary Scrofula, which appeared all over his body. For a year I had given up hope of his recovery, when finally I was induced to use SSS. A few bottles cured him, and he is now as healthy as the day he was born.

## SCRATCHED 3 YEARS

Suffered, Scratched and Bled. Doctors No Relief. Cured by Two Sets Cuticura Remedies.

Nothing like CUTICURA REMEDIES was ever manufactured. For three years I have suffered with a sore head. I would break out all over my face and neck with pimples which would form a watery matter, and I would have to scratch until I would bleed. After doctoring with two doctors for three years, more or less, I finally made up my mind to try CUTICURA REMEDIES, with result entirely satisfactory to me. After using two sets I am entirely cured. I have recommended your remedies to several persons, and they all tell me they are No. 1. Our druggist is doing a nice business in CUTICURA REMEDIES, since my cure. I have given him the privilege of using my name as proof of their efficiency. I enclose my portrait.

## SALT RHEUM CURED

My wife has been troubled with the salt rheum for four years. During this time doctors of various kinds, and the most eminent of Chicago, failed to give relief. I bought the CUTICURA REMEDIES, and she used only one box of CUTICURA, one cake of CUTICURA SOAP, and half a bottle of CUTICURA RESOLVENT, and these have cured her completely.
